Emergency Financial Aid Grants
Under the Coronavirus Aid, Relief, and Economic Security (CARES) Act
CARES Grant Administration Policy/Procedure

The Coronavirus Aid, Relief, and Economic Security (CARES) Act provides Charter College the opportunity to disburse emergency federal financial aid grants directly to students for expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student's cost of attendance such as food, housing, course materials, technology, health care, and child care).

In order to ensure that these funds are distributed as promptly and as widely as possible, Charter College is awarding the Higher Education Emergency Relief Funds to every eligible student to include all active students originally enrolled in on ground/blended programs, as of April 22, 2020 and are still active students as well as students who are on Leave of Absence due to circumstances created by the Coronavirus as of May 6, 2020. Effective 7/1/2020, based on additional guidance students who were enrolled and graduated after March 13, 2020 are now eligible. This award method will allow for fair distribution for our students who have been impacted by the closure of the on-ground campuses and the need to move their education to an online environment. Students must meet Title IV general eligibility requirements to receive the award. The awards amounts will be varied based on EFC as indicate here:

- \$1750** will be awarded to Students with a 0 EFC
- \$1500** will be awarded Students with a PELL eligible EFC
- \$1000** will be awarded Students with no PELL eligibility based on EFC

The school will use either the 19/20 or 20/21 EFC whichever is in the student's best interest at processing.

EMERGENCY FINANCIAL AID GRANTS TO STUDENTS UNDER CARES ACT

Section 18004(a)(1) of the CARES Act, Pub. L. No. 116-136 (March 27, 2020), authorized the U.S. Secretary of Education (“Secretary”) to provide Charter College with Higher Education Emergency Relief Fund (“HEERF”) funds. Section 18004(c) of the CARES Act requires the College to use at least fifty percent of the funds received to provide emergency financial aid grants to students for expenses related to the disruption of campus operations due to coronavirus. For that purpose, Charter College has established an **Emergency Student Relief Fund** to make emergency grants immediately available to eligible students. For purposes of the **Emergency Student Relief Fund**, eligible students include those students who were enrolled at Charter College as of April 22, 2020 and are currently in an active status or on Leave of Absence due to the Coronavirus as of May 6, 2020 in an on ground/blended program and meet Title IV general eligibility requirements. Effective 7/1/2020, based on additional guidance students who were enrolled at the time of the COVID-19 related disruption and graduated after March 13, 2020 are now eligible.

Charter College has determined that each eligible student who certifies that they have expenses related to the disruption of campus operations due to coronavirus are eligible for the emergency grant funds and will receive a grant. Award amount will vary on the EFC of the student. The award will be made available by means of a check issued and mailed as quickly as possible.

All checks sent must be cashed within 120 days (no exceptions) of date of issue or the checks will be canceled, and funds will revert back to the Charter College Emergency Student Fund for further student allocation based on a needs assessment or be returned to the government at the colleges discretion.
