UPDATED 04/24/2026

On February 11, 2026, Charter College received notification from our institutional accrediting agency, ABHES, placing the programs below on Program Specific Warning (PSW) due to poor outcomes in retention and/or placement. A PSW designation requires the institution to submit a teach-out plan. Charter College has submitted teach-out plans for the programs below and has elected to implement an internal teach-out with effective date and completion date for each program listed accordingly.

Important items regarding programs in teach-out

1. We are no longer enrolling new students or re-entering students into these programs.
2. The program specific warning does not affect Charter's ability to participate in federal student aid programs through the U.S. Department of Education or the value of the academic credits earned at Charter for its students or graduates.
3. Transcripts continue to be accessible through the student portal and/or Registrar's Office.
4. In the unlikely event that Charter College closes, the College would offer refunds in accordance with ACPE guidelines for Anchorage, AK programs.

Anchorage, AK

1. Certificate in Health Unit Coordinator – Teach out effective 04/17/2026 with final graduate 01/17/2027.
